Report of Principal and School Improvement Council

The 2011-2012 school year proved to be another exciting year for Gable Middle School. We had an outstanding school year where we all showed our Gable PRIDE.

GMS celebrated many accomplishments. Twenty-six eighth grade students were selected as SC Junior Scholars for excellent performance on the PSAT. The GMS chapter of National Junior Beta Club had over 350 members participating in Beta Club activities and service projects. GMS students competed in the Continental Math League for the thirteenth year in a row. The GMS seventh grade orchestra and the GMS eighth grade orchestra both received superior ratings at the South Carolina Orchestra Concert Festival. GMS chorus students and GMS band students also received superior ratings at their State Festivals. Gable's Math Counts team won the regional competition, and the girls basketball and volleyball teams won the Peachtree Conference championship.

The faculty, staff, administration, and students also participated in several service projects. GMS student council sponsored a canned food drive where students and teachers contributed thousands of items to Total Ministries of Spartanburg. GMS students also raised money for United Way, Mobile Meals, and Relay for Life.

Teachers and administrators at GMS continued to focus on data analysis to improve instruction. Through the use of Test View, teachers and administrators analyzed MAP scores and PASS data. This data analysis allowed teachers and administrators to make data driven decisions concerning curriculum and instruction. Gable Middle School also implemented its Compass Odyssey and Study Island computer lab. Compass Odyssey and Study Island are enrichment programs that correlate with the South Carolina Curriculum Standards.

Gable students and staff celebrated two state wide recognitions for improvements in PASS test scores. Gable received the Palmetto Gold Award for Student Achievement and the Palmetto Silver Award for Closing the Achievement Gap.

In addition, GMS continued to implement its character education program. Gable P.R.I.D.E. encourages students, teachers, and the school community to display their Productivity, Respect, Initiative, Determination, and Excellence.

ESEA/Federal Accountability Rating System

In July 2012, the South Carolina Department of Education was granted a waiver from several accountability requirements of the federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/eSEA/> or request this information from your child's district or school.
